Subject: Postponement of National Seminar – Reg.

Sir,

As you are aware that our country is facing a crisis of money transaction due to demonetization policy of the Government, the same is hampering the management activities of the Seminar. In addition, the State of Manipur is presently affected with road/ economic blockade by some organizations. These two problems are coinciding and adversely affecting all walks of life in the state.

Therefore, it has been decided to postpone the National Seminar from previously scheduled date to 7<sup>th</sup> to 9<sup>th</sup> February 2017.

Inconvenience caused in this connection is cordially regretted.
