F. No.8-60/shortcourse/2013-14  
Dated 27 July, 2013

Sub: Short training course on "Multi-omics Approaches to Alleviate Abiotic Stress in Post Genomic Era: Methods and Application in Microbiological Research" to be held from September 11-24, 2013 at NIASM, Baramati-413115, Pune, Maharashtra

Respected Sir/Madam,

I am happy to convey that a short course on "Multi-omics Approaches to Alleviate Abiotic Stress in Post Genomic Era: Methods and Application in Microbiological Research" will be conducted at National Institute of Abiotic Stress Management, Baramati from September 11-24, 2013. The training programme is being funded by the Department of Biotechnology, Ministry of Science and Technology Govt. of India

It is proposed to impart training for 20 participants in the area of "Omics" technologies. The programme details and format of application form enclosed herewith. Interested eligible candidates may please send their application through proper channel. The application form complete in all respect should reach the course director on before 25 August, 2013.

I request you to give wide publicity to the aforesaid short course and kindly nominate one scientist/ teacher working at your institute. Correspondence through Email; [kkmeenamicro@gmail.com](mailto:kkmeenamicro@gmail.com) is preferred in order to hasten the process of selection of trainees.

An early action in this regards is highly solicited.

Thanking You

Yours faithfully,

(Kamlesh Kumar Meena)

To  
The Director  
Indian Institute of Spices Research,
