The Director,  
Indian Institute of Spices,  
Chelavur, Kozhikode 673012

October 28, 2015

Dear Sir,

Greetings!

National level Training Workshops are conducted regularly at the Nodal Office, Thiruvananthapuram (Kerala) of the Christ University (Bengaluru) to enhance capacity of the researchers (including research guides, scientists, teachers, students, management experts, and development practitioners) on relevant, innovative and useful topics.

Participants of the above workshops were mostly researchers/scientists from research and academic institutions, and development agencies located at different parts of the country.

We are happy to share the information sheet (summary) of the national level Training Workshops to be conducted during October-December 2015. Appreciate very much if you would kindly share the information among the faculty, researchers and students of your esteemed institution, also by displaying the sheet in the notice board.

I may add here that to enable/encourage more participation, especially of research students, fees of these workshops are kept at the break-even level.

Thanking you,  
Kind regards,

  
T.A.Varghese
