MDP-pre-RMP/PM/2013
July 9, 2013

Dear Sir,

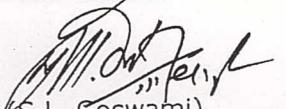

Sub: Nomination for MDP on Leadership Development (a pre-RMP programme) -
reg.

Leadership in research organizations is being highlighted in every forum. Research indicates that academic and research organizations are effectively led by top academic persons. Heads of the Divisions and other senior-level scientists in various institutes of ICAR, though do not come under the RMP cadre, do execute many roles which require leadership capabilities. There is, therefore, a need to provide opportunities for the senior-level scientists, who are in the pre-RMP cadre, to enhance their leadership capacities. Keeping this in view, NAARM is organizing a Management Development Programme on Leadership Development (a pre-RMP programme) from **August 26 to September 6, 2013**, for the benefit of the Heads of the Divisions and other senior-level scientists in the system who are in the pre-RMP cadre and are planning to move into the Research Management Position. This Programme would provide a forum for the pre-RMP scientists to develop appropriate ideas and skills for enhancing their leadership capacity and personal effectiveness.

I request you to kindly nominate one or two Heads of Divisions or other senior-level scientists of your Institute for participating in this Programme. The fee for this Programme is Rs 10,000/- per participant (for non-ICAR participants only) and the DD may be drawn in favour of ICAR unit a/c, NAARM. The TA and DA of the nominated participants will have to be borne by the sponsoring institutes. The details of the programme and the nomination form are sent herewith. Nominations may please be sent on or before August 12, 2013. Nominated participants may be advised to book their tickets only after receiving the final confirmation for their participation in the programme.

We look forward to your kind response with nominations.
With best regards,

Yours sincerely,

(S.L. Goswami)
