Dear Sir/Madam,

Sub: Call for DST Sponsored 5th National Conference on Emerging Trends and New Challenges in Biotechnology – Advances in Free Radicals and Antioxidants

Green Greetings from the PG and Research Centre in Biotechnology, MGR College, Hosur.

We are happy to inform you that the PG and Research Centre in Biotechnology is organizing 5th National Conference on Emerging Trends and New Challenges in Biotechnology – Advances in Free Radicals and Antioxidants sponsored by Department of Science and Technology, Ministry of Science and Technology, New Delhi.

On behalf of the organizing committee, we have great pleasure in inviting you for the two days **National Conference on Emerging Trends and New Challenges in Biotechnology – Advances in Free Radicals and Antioxidants** sponsored to be held on 2nd and 3rd of February 2017 at MGR College, Hosur, Tamilnadu, India.

We are very excited to pronounce about the preparations and prospects which are going to be held in the winter season of Hosur. In the conference, the eminent persons are gathering to exchange and share their scientific thoughts to meet the challenges in various fields of science with determining scientific rationale in Biotechnology. The scientific program covers the most recent and exciting aspects in various fields of science which includes plenary lecture, oral and poster presentations.

In this connection, kindly encourage your students, research scholars and faculty members to present posters and papers in the conference. **The brochure giving the details of the conference is enclosed.**

We have the pleasure in welcoming you to this 5th NCETNCB 2017.
Many thanks.

With warm regards,

Dr. P. Balaji
