No. NAIP-IPR/RKS/2013  
17-12-2013

Dear Sir,

The Academy is conducting a 5 day NAIP sponsored Management Development Workshop on 'Technology Management for Researchers' during January 27-31, 2014. The programme would lay emphasis integrating technology management with IPR protection. The workshop aims to build an integrated view of the technological challenges for product and process technologies in the current global economy – especially the strategic necessity for faster product life-cycles, continuous improvement and radical innovation. The programme also aims at capacity building of agricultural scientists in commercialization of agricultural technologies.

I request you to kindly nominate scientists/ faculty members from your organization to this programme. There is no registration fee for the programme. I would appreciate if nomination is made as per the eligibility conditions for the participants listed in the programme brochure. **Dr.Manoj.P.Samuel, Programme Director (Phone-040-24581301; Email: [manoj@naarm.ernet.in](mailto:manoj@naarm.ernet.in))** shall be the contact person for further information regarding the programme.

The programme brochure and application form is enclosed. The form may be photocopied or downloaded from the NAARM website.

With kind regards,

Yours sincerely,

*R. Kalpana Sastry*
