To

The Vice-Chancellors and Directors of the NARS institutions

Sir,

The Centre of Advanced Faculty Training, Division of Biochemistry, IARI, New Delhi is going to organize 21 days training course on **“Advanced ‘Omics’ Techniques for Improvements in Plant and Human Health”** from 15/11/2013 to 05/12/2013 for the scientists and teachers of the ICAR institutes and Agricultural Universities. The CAFT in Biochemistry, operating here since 1995, is the only CAFT in the areas of Plant Biochemistry, Molecular Biology and Biotechnology in the ICAR.

The eligibility qualifications prescribed for the participants are: Assistant Professor/Associate Professor/Professor and equivalent scientists (Scientists, Sr. Scientist & Principal Scientist) working in Agricultural Universities and ICAR Institutes in the disciplines of Plant Biochemistry/Agricultural Biochemistry/Plant Molecular Biology/Biotechnology and allied disciplines. The applicants possessing three years of teaching/research experience shall be given priority.

The selected candidates will be paid travel expenses as per entitlement restricted, however, to the maximum of AC II Tier/actual as the case may be. The participants will be lodged free-of-cost in the Guest House and expenses on boarding & lodging shall be met by us as per ICAR norms.

I request you to kindly nominate one or two eligible candidates for the training course. The nominations in the prescribed format (copy enclosed) should reach us latest by 30<sup>th</sup> September, 2013. Applications may also be sent by email ([raidrai\\_biochem@iari.res.in](mailto:raidrai_biochem@iari.res.in), [head\\_biochem@iari.res.in](mailto:head_biochem@iari.res.in)). As per the ICAR instructions, the nominated candidates would also be applying online through Capacity Building Programme (CBP) Vortal at <http://iasri.res.in/cbp>. The link for the same is also available at <http://icar.org.in> under the CBP. The Program may also be given high publicity.

With regards,

Yours sincerely,

  
(R.D. Rai)
