Prof G Mohan
Program Director

Program on Science Administration and Research Management (Sponsored by Department of Science and Technology)

October 17-28, 2016

Invitation for Nominations - Reg.

Dear Sir/Madam,

As you are aware, today in the dynamic and fast changing economy, issues relating to management have assumed importance for scientists. In this scenario, we are happy to announce that we will be conducting a two-week Program on Science Administration and Research Management. The program is sponsored by Department of Science & Technology, Govt. of India and will be held at Administrative Staff College of India, Hyderabad. The program has been designed especially keeping in mind the need of scientists and technologists working in science & technology institutions, R&D labs and autonomous bodies.

The program will focus upon technology management, development of S&T leadership, and IPR management. Science audit, performance management of S&T organizations, development decision-making skills. It aims at familiarizing them with institution building approaches and provides them with a forum for interaction on scientific matters with a peer group from the scientific and research community. It is designed to prepare scientists to occupy positions of leadership in the organization.

The major topics covered under the program will include issues of R&D Management, Knowledge Management and Technology and Innovation, Better financial management for S&T organizations, Intellectual Property Rights protection and related strategies and the existing policies and regulation on techno-entrepreneurship.

The programme is fully residential and the participants will stay in the College campus and have their meals in the dining room. Accommodation will be in single air-conditioned rooms in the executive hostel of the College.

We shall be glad if you could nominate to this program, two Scientists and Technologists (of grades C to G) from your organization. Please visit our website <http://www.asci.org.in/DSTCalendar.aspx> to download the nomination form and program details. Nominations will be accepted on first-come first-serve basis since there are limited seats in the programs. We therefore request you to kindly send nominations early. Nominations duly signed, by the controlling officer may be sent directly to the undersigned by Fax: 040 - 66534356 or by Email: gmohan@asci.org.in Please note that DST sponsors the program fee of the participants, which includes board and lodge, tuition fee and related expenses. However, travel expenses must be borne by the respective sponsoring organisations.

We look forward to hearing from you in this matter and to your support for the program.
