To,

The Director,
Indian Institute of Spices Research,
Marikunnu, Calicut-673012.

Sub:-Calicut Flower Show 2017-Participation in the show gratitude expressed.

Ref:-

We are glad to inform you that the **Calicut Flower Show 2017** organised by **Calicut Agri-Horticultural Society** on 11/01/2017 to 17/01/2017 at maraine ground was a grand success.

The factors that distinguish the Calicut Flower Show from other flower shows of Kerala is the active participation of the government departments by arranging their stall at the show ground with their modern agricultural products achieved as a result of hard agricultural research such as new varieties of arceuths, pepper, ginger, turmeric and other spices varieties. These stalls were the attractive points to the public at the show ground.

We express our hearty thanks for your participation in the Calicut flower show and expect your help in future also

Thanking You,

Yours faithfully,

General Convenor.
