

Indian Institute of Spices Research
Experimental Farm, Peruvannamuzhi, Calicut-673 528

**Proceedings of the meeting with Director during his visit to Peruvannamuzhi
farm on 29-1-2010**

Director visited IISR, Peruvannamuzhi farm on 29-1-2010. He visited the solarization yard, nutmeg nursery, soil sterilization unit etc. and reviewed the progress of various works in the farm in connection with the Kissan Mela to be held on 8th Feb 2010. Following points were discussed.

- The possibility of making vermicompost exclusively with Azolla may be explored and quality studied (Action: Drs'. K. Kandiannan / V.Srinivasan / R. Dinesh).
- Fresh pathimughan may be planted in the area behind the existing 7 year old plants (Action: FS/SIC).
- Planting of bush pepper in tubs may be taken up (Action: FS/SIC).
- Two more computers may be transferred to farm for scientists (Dr. Santhosh J Eapen / K. Jayarajan).
