No. PME/IISR/30(12)12

7th March 2017

CIRCULAR

Two dust bins marked biodegradable and non-biodegradable are being kept near the generator room, in A Block of ICAR-IISR Chelavoor campus. It is seen that plastic materials are being dumped in biodegradable dust bin. This makes it difficult to sort the waste materials for final disposal. Plastic materials should be dumped in non- biodegradable dust bin and reckless throwing of waste on the road should be strictly avoided in all the campuses. Please help us to keep the campus clean.

This is issued with the approval of Director.
