Mr. Binoy has been here to meet the Director on 20/5/2013

To,  
The Director  
Institute of spices research  
Calicut

Dear Sir,

Greetings from **City Eye Foundation Hospital**.

City Eye Foundation Hospital, Calicut, has been rendering quality eye care of international standards to those in need, for the past four and half years and we are highly grateful to all those who has helped us in serving the public directly or indirectly.

As a part of our service extension programme we are looking forward to associate with your firm in a mutually beneficial manner. We are planning to introduce privilege card for your staff which can serve as staff welfare measure from your side by the following ways:

- Free consultation for the member and family  
(Family-- Husband / wife, son & daughter, father & mother of card Holder)
- 10% concession on all minor procedure advised
- 10% concession on spectacles.
- 10% concession on all surgeries.

*The card will be valued for a period of one year and the concession would not include (medicines & lab items). Validity starts from 1<sup>st</sup> day of registration.*

(PTU)

Utmost care would be provided to those patients, who are referred from your organization and we assure you that the best possible treatment will be made available to clients. The privilege card will be provided by the hospital for distributing to your staff. As an initiative we would like to conduct a free eye screening camp for your entire staff at your premises on a mutually convenient date. Our team headed by Dr Sandhya would come on the said date by 9.00 am and conduct the camp till 1.00 p m.

We look forward for a fruitful association with your concern and sincerely hope to go ahead with this mutual tie-up.

Thanking you

Yours sincerely

BINOY U.S.
