Dr. J. P. Mishra

ASSISTANT DIRECTOR GENERAL

F.No. 9(8)/2019-PIM

Dated 4th September, 2019

Subject: Action Taken report on the minutes of the meeting to review export of Agriculture and related products - reg.

Hon'ble Minister of Agriculture & Farmers' Welfare, Rural Development and Panchayati Raj chaired a meeting on 27th June, 2019 to review export of Agriculture and related products. The following actionable points related to DARE/ ICAR emerged in the meeting.

1. Productivity and Target traits - focus on productivity enhancement for creating exportable volume of Agriculture and allied products and with target traits to work as push and pull for export

(Action: Crops Sciences, Horticulture Sciences, Fishery Sciences and Animal Sciences)

2. Global competitiveness and branding - focus on introduction of best technologies in the world on quality up gradation, standardization, reduction of cost of production, storage and transportation, optimizing value addition, packaging, branding, etc.

(Action: All SMDs)

3. Good Agriculture Practices (GAP) - deficiencies in current agronomic practices to be identified and implementation of GAPs

(Action: NRM, Crops Sciences and Horticulture Sciences)

URGENT
please send the
letter to Director of HS-E Mumbai
and get the ART by 9th Sept.

B. S. Singh
6/9/19

4. Water positive agro-products -

- a. Scientific analysis to assess ground water requirement of various agro-products and identify the agro products responsible for rapid depletion of ground water

(Action: NRM, Crops Sciences, Horticulture Sciences)

- b. Identify exportable surplus likely to be produced with less water by enhancing the productivity. The available water resources should be dovetailed with the production.

(Action: NRM, Crops Sciences, Horticulture Sciences, Fishery Sciences and Animal Sciences)

It is requested that the action taken/initiated report with respect actionable points mentioned above may please be sent to PIM Section at sopim.icar@nic.in 10th September, 2019.
