

Indian Institute of Spices Research
Experimental Farm, Peruvannamuzhi, Calicut-673 528

**Proceedings of the meeting with Director during his visit to Peruvannamuzhi
farm on 19-03-2010**

Director visited IISR, Peruvannamuzhi farm on 19-03-2010. He reviewed the progress of various works in the farm. Following points were discussed.

- The Heads of the Division and works committee may explore the possibilities for completing turmeric harvest as early as possible.
- Dr. Thankamani and Dr. Kandiannan may explore the possibility of producing more black pepper cuttings to be sold to the visiting farmers besides what is being reserved for Spices Board.
- Arrangements may be made to procure cow dung, goat manure and cow urine for farm use from KVK with proper accounting and the amount may be credited to KVK RF (Action: KVK i/c /FS/SIC.AFAO).
- The Seed committee should immediately allot the available seed ginger.
- As decided earlier two more computers may be transferred to farm (Action : Mr. Jayarajan)
