Proceedings of the Director's visit to KVK on 24.4.10

F.No.KVK/IISR/52/08

Dated: 26.4.10

The following suggestions were given.

1. All registers should be maintained properly and the registers may be taken from PME (Action: All KVK staff)
2. The possibility of seed production of IISR ginger/turmeric varieties in association with NHRDF may be explored and seed village concept may be explored (Action: SMS (Horticulture))
3. A coffee/tea vending machine may be procured in KVK through KVK RF or IISR P'Muzhi Canteen (Action: Programme Coordinator i/c, KVK/Secretary, Canteen Committee, IISR Farm, P.My.)
4. Assistance of NABARD may be sought for the conduct of long duration training programmes in KVK (Action: All SMS, KVK)
5. A demonstration-cum-training unit on ornamental fish culture may be established in KVK (Action: SMS (Fisheries))
6. More success stories may be prepared for publication (Action: All SMS/Dr.Zacharia)
7. A demonstration unit of released varieties and technologies of black pepper may be established in the existing *Ailanthus* plot of IISR Farm by adopting all proven management practices (Action: SMS (Agronomy)).

This is issued with the approval of the Director.
