Sub: Information On The Technologies Developed By Your Institute

Dear Sir,

This has reference to our letter of even number dated October 25, 2004 on the subject cited above.

We are pleased to inform you that NSTMIS, a division of Department of Science & Technology (DST), Govt. of India has desired to develop the database of technologies developed by various R&D Institutions in the country, jointly with this Corporation.

We understand that the aforesaid letter might have escaped your attention. We are therefore approaching you again with a request to kindly forward the details of the technologies developed and licenced by you during last 10 years as per the enclosed format to enable us to complete the preparation of the technology database as desired by DST.

This database will be used by wide range of users from R&D institutes, Industries & Entrepreneurs, and it is expected that information provided by you, would fetch wide publicity for your technologies and would generate substantial business opportunities. We wait to receive a positive response from your end at the earliest.

Thanking you,

Yours faithfully,

*A. Pradhan*

*Display on LAN of  
09/02*

Dear Colleagues,

If you have any technology to offer, kindly fill in the form provided below and hand it over to me latest by this month end.

2 → 8/2/05  
(K.S. Krishnamurthy)

---

# Proforma for information on technologies

(Please furnish the information to the extent possible) \*  
 (Please use separate proforma for each technology and attach separate sheets, if required)

1 Name and Address of the Organisation / Institute:

Contact Person

Phone (O)

E-mail

Fax (O)

Web site

2 Title of Technology:

3 Area of Technology (Please tick on the classification)

Agriculture, Food and Agro Processing	Environment Services
Biotechnology	Health Care
Building Material, Construction	Mechanical
Chemical and Allied	Mining & Metallurgy including New Materials
Electrical, Electronics Telecommunication & Instrumentation	Textile, Leather, Pulp & Paper

4 Status of Technology

a. Year of Development

b. Whether Patent Filed / Granted? Yes/No If yes Patent No.

Country

c. If commercialised, year of Commercialisation  No. of Licences

5 Brief description and salient features of the technology

6 Scale of Development

Lab Scale	<input style="width: 80px;" type="text"/>	Pilot Plant	<input style="width: 80px;" type="text"/>
Working Model	<input style="width: 80px;" type="text"/>	Commercialised	<input style="width: 80px;" type="text"/>

7 Whether technology has won any awards Yes/No

If Yes, please give details

Name of the award	Year
1	
2	

8 Additional information on the technology, if available

a. Major Raw Materials Required

1	3
2	4

b. Estimated project cost for the minimum economic size: Rs.
