FOLLOW-UP OF THE PROCEEDINGS OF THE DIRECTORS' CONFERENCE

Dear Sir,

It may kindly be recalled in the last Conference of Directors held in July, 2004, the DG, ICAR had desired that material relating to Geographical Indications and Copyrights be put on the Website of the Council. As a step in this direction, material has been provided in respect of these two Intellectual Properties on the Council's Website viz. www.icar.org.in. You are requested to encourage the scientists of your institute/Centre to refer to the Website for increasing familiarity on the subject.
