Sir,

As you might be aware that Fragrance & Flavour Development Centre (FFDC) is an autonomous body under Ministry of Small Scale Industry, Govt. of India, engaged in serving, promoting and developing Indian essential oils, fragrances & flavours small scale industries and the associated farmers. The major activities of FFDC include training, cultivation & demonstration, distillation, processing, value addition, quality control, fragrances & flavours creation, consultancy, product/technology development, awareness generation, etc. in the field of essential oils, fragrances & flavours including medicinal & aromatic plants. The FFDC has a NABL accredited laboratory. After serving the small scale entrepreneurs and the farmers since 1991 in all above mentioned fields, we are now in the process of developing a national network of FFDC faculty on all aspects of essential oils, fragrances & flavours in order to facilitate training and awareness generation to the target beneficiaries through-out the country.

The identified faculty members will be on the faculty panel of FFDC for their specialized fields and may be requested to deliver lectures/consultancy/guidance to our trainees/beneficiaries in our training programmes to be held in your local areas from time to time. The faculty will be paid TA/DA and honorarium/fee as per FFDC norms. Since, our training programmes are paid programmes, the highly result oriented, experienced and talented faculty is expected in order to satisfy the farmers & entrepreneur's queries and practical problems. Developing a national network is also the need of the hour in view of increasing scope of medicinal & aromatic plants worldwide.

Under the present scenario, these farmers and entrepreneurs need an authentic & reliable agency for help and support. FFDC being a Govt. of India Organization has taken-up this task and your cooperation, in this matter will be of utmost importance.

In view of the above facts, you are kindly requested to forward a list of faculty from your organization in prescribed format (copy enclosed) for necessary action at this end.

Yours faithfully,

(Signature)
(Dr. C.S. Raghav)
Principal Director
