INDIAN INSTITUTE OF SPICES RESEARCH
(Indian Council of Agricultural Research)
Marikunnu P.O., Calicut - 673 012, Kerala

No. F.9(325)/2004-Estt.

Dated 20-12-2004.

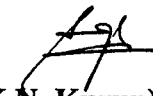

CIRCULAR

It has come to the notice of the office that the Research Scholars/Research Fellows are leaving the service without following accepted procedures. Instances have come to the notice of office that research fellows are leaving the institute without properly informing and tender resignation after a lapse of long period. Needless to say, this practice will result in disruption of functions entrusted with such research fellows as alternative arrangements take a long time.

Principal Investigators are advised to monitor scrupulously this kind of actions of research scholars/research fellows and they should ensure that resignations are forthcoming, the day they leave the Institutes so that no interruption will occur. The Principal Investigators are therefore advised to take a serious view of this issue and terminate the services of the concerned wherever necessary and take a remedial action for continuance of the smooth functioning of the schemes.

Principal Investigators are advised to comply with this instruction meticulously.

This is issued with the approval of Director.
