From Study circle Chamber

Circular

This is to inform you that the study circle proposed to be held on today is **postponed to next month** due to the insufficient time given for the display of research papers in the Library. The papers should be displayed in the library for **ten days before the study circle presentation**. So it is requested that the study circle papers may be submitted well in advance so as to have sufficient time to be displayed in the Library. This is as per the special instruction from the director.

R. Suseela Bhai
Secretary (Study circle)
